Who are they and why are they here?

When I began writing and printing tracts forty years ago, I would never have thought that one day I would write a tract like this, but it is a far different world today than it was then. While belief in God is declining, the belief that aliens are among us is on the rise. This tract attempts to answer the questions "Who are they and why are they here?" from a biblical perspective while presenting a clear presentation of the gospel. My hope is that the Lord will use it to reach a growing population worldwide who are more interested in the Greys than they are Jesus Christ. I believe people will be curious enough to read this tract and that the Word of God will then do its perfect work.

SAVED AFTER READING A GOSPEL TRACT

Not long after visiting with our friends at Harvest Baptist Church in Bessemer City, NC, we received word from Sandy Lightner (pictured right) who told us that her sister Sharon was sharing some of our tracts at a school near her home and that the secretary of the school was saved! Her sister Sharon then wanted 500 more of our tract entitled "Are you 100% Sure?" What a great blessing!

We were contacted by a man named Chadrick who is an inmate at a Virginia prison. He received our tract entitled "From Tragedy to Triumph," and after reading it, he received the Lord Jesus Christ. We sent him our booklet for new Christians.

PLEASE PRAY FOR THEIR SPIRITUAL GROWTH!

SOUTHSIDE WORKS WITH BREAD OF LIFE

Bread of Life, our booklet division which prints The Gospel of John & Romans, has been working with Pastor Tyler Donough and Southside Baptist Church in Rock Hill for several years now. Under the direction of Harold Spooner, their team recently completed 10,000 John & Romans in Spanish for Mexico.

The booklets were then transported to Mexico by Mitchell Gibson with Good News Distribution from Kodak, TN, who distributes gospel literature. They were happy to receive them in Mexico! (below)

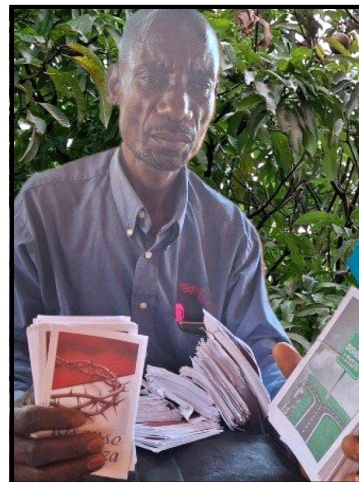

MORE FRUIT FROM CONGO

"When we visited various homes with the free distributions of Hope Tracts and KJV Bibles, the Lord lead us to experience the conversion of this lady named Gertrud Numbi (left)..."

...After 3 days she shared the same message with her 6 children and one of them named Dobbie (left) opened his heart to Jesus."

"Kasongo (left) was a visitor from Muvule village who is an evangelist. He requested some bundles of tracts which helped him reach the people in his village."
